April 22, 2024

The Irricana and District Agricultural Society and the Town of Irricana have a long and successful history of working together to provide our Town and surrounding communities with volunteer time, programming and funding. Since 1984 the Irricana and District Agricultural Society has diligently managed the Irricana Recreation Complex to provide a home for the Irricana Curling Club, Lounge, Meeting Space and Fitness Studio.

Through careful thought, consideration and planning the Irricana and District Agricultural Society has made the difficult decision not to renew the Operating Lease for the Irricana Recreation Complex. As of May 1, 2024 the Town of Irricana will take over all operation and management of the Recreation Complex.

The Irricana and District Agricultural Society would like to take this opportunity to send a sincere Thank-You to all stakeholders and patrons who supported us operating the Rec Center over the past 40 years. We look forward to seeing you continue to grow and prosper and encourage you to explore new opportunities with the Town of Irricana.

The Irricana and District Agricultural Society continues to foster our strong relationship with the Town of Irricana through our lease agreements for Operation and Management of the Founders Park Campground and Bev Macdonald Arena.

Sincerely,

Irricana & District Agricultural Society Executive and Directors
